## Wolfsberg Think Tank

**Date:** Tuesday, 10 May 2005, 10.00 a.m. to 1.00 p.m., followed by buffet lunch

**Topic:** Lessons Learnt from an Entrepreneur's Life

**Led by:** Dame Stephanie (Steve) Shirley, Life President Xansa plc, London  
Executive-in-Residence at Wolfsberg

Dear Sir/Madam

We are delighted to inform you that we have the great honour to have as our Executive-in-Residence, from 9 to 10 May 2005, Dame Shirley, who is a highly successful social entrepreneur.

Having arrived in Britain as an unaccompanied child refugee in 1939, she founded Xansa plc on her dining room table in 1962 and developed it into a leading business technology group, pioneering new work practices which changed the position of professional women (especially in hi-tech). Xansa is now one of the top 250 companies in the UK by market capitalisation, and is 20% co-owned by its 5000 staff, including nearly 2000 in India. The first female President of the British Computer Society (BCS), Dame Shirley sponsored the multi-disciplinary Oxford Internet Institute (U.K.), and is Founder and Past Master of the City of London's Worshipful Company of Information Technologists.

She will be sharing informally with us the key lessons she has learnt about entrepreneurship and indeed about life.

This promises to be a fascinating event with a fascinating personality.

Programme:

09.30 a.m. Welcome Coffee

10.00 a.m. Introductions, Presentation and Discussion

01.00 p.m. Apéro and Buffet Lunch
